

California Snapshot

Teach For America develops diverse, innovative educators and leaders who partner with their communities to ensure that all children have access to an excellent education. We recruit top graduates and professionals into California's highest-need classrooms, and support them to make a lasting impact for their students.

Our California network of teachers and alumni is now more than 7,000 strong.

More than
2,500
teachers

More than
250
school & system leaders

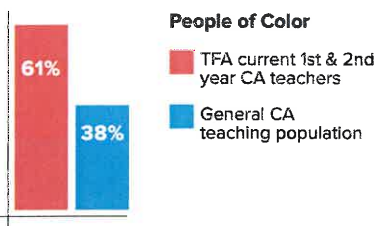

Impacting more than
65,000
students across California

DRIVING IMPACT FOR CALIFORNIA STUDENTS

Teach for America California is working to build one of California's largest, most diverse and most effective teaching talent pipelines.

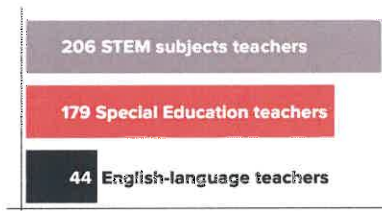

REPRESENTING CALIFORNIA'S DIVERSITY

TFA teachers are 1.5x more diverse as California's general teaching population:

MEETING URGENT NEEDS

TFA teachers work in the highest-poverty schools and hardest-to-staff subject areas:

COMMITTED TO LONG-TERM IMPACT

More than 2 out of 3 TFA alumni in California work in education, including:
